How to Get Started:

1. **Contact Coach Sam:** Share your cell phone number, your full name, and your player’s details (name, age, skill level). Coach Sam will respond quickly to guide you through the next steps.
2. **Choose Your Path:** After a brief phone interview, we’ll recommend either private lessons or group training, whichever suits your child best.
3. **Pick Your Time Slot:** Select a day and time that works for your family. Subscribe to our mailing list for updates and openings.
4. **Confirm & Join:** Once your weekly slot is secured, you’re officially part of our community

We believe baseball and softball are the greatest games for building character, teamwork, and lifelong skills. Membership means your player has a reserved weekly spot, and you’re always in control—just provide your weekly payment and review our simple cancellation policy.

Welcome to the family!
